

AD DIRIYAH EPRIX - 15 DECEMBER 2018

From FIA Formula E Race Director
To All Competitors and Drivers

RACE DIRECTOR COMMUNICATION

After discussion in the Driver Briefing, the Attack Zone has been relocated appropriately 23 meters closer to the start line from the original location.

Effectively, the original “exit line” of the zone is now the “entry line”. These painted lines have also been increased in size for better visibility.

Scot E Elkins
FIA Formula E Race Director
